

August 11, 2011

Dear Colleagues:

It is with the sincerest enthusiasm that I offer you and your students an opportunity to audience a selection of nationally recognized speakers whom represented our region during the 2010-11 Forensics Season. As substantiated by recent triumphs at national tournaments, Southern California is stacked with brilliant students and coaches. We begin this year, by acknowledging the talents and academic scholarship engaged by our beloved community. I am absolutely positive that the scheduled performers will intimidate, impress, and inspire both new and returning competitors!!!

The 2011 PSCFA Seminar will be held on Saturday, September 17th at Orange Coast College. The campus is located at 2701 Fairview Road. Costa Mesa, CA 92626. Please park in Lot E off of Merrimac. The Adams Lot (closest to Science Hall) is unavailable to guests because it will be occupied by Costa Mesa's local swap meet. After your team has found a parking space, all students and coaches will want to report to Science Hall.

Maps and directions can be found at:

http://www.orangecoastcollege.edu/about_occ/directions.htm

Looking forward to seeing you there,

Heidi Ochoa
Saddleback College
Vice President, PSCFA
